

Belkhu Khola Bridge

Excavation of foundation for pier for Bailey Bridge is underway at Belkhu Khola.

The Bailey Bridge, when it was just established by British Army Engineers, Royal Nepal Army and Department of Roads. All the three spans of Belkhu Bridge were completely washed away.

Newly established Bailey Bridge over Belkhu Khola

Passengers crossing Belkhu Khola in the absence of Bridge.

Between Belkhu and Malekhu Khola

Damage to Prithvi Highway at downhillside due to bank cutting by Trisuli River.
