Coordination centers

- Installation of the system of information (software) in the coordination centers (SIS-CRUED)

A screenshot of a web browser displaying the login page for the SIS CRUED system. The browser's address bar shows '127.0.0.1/crued/autentifica/'. The page features logos for C.R.U.E.D., the Ministerio de Salud Pública, the Comisión Europea, and the Organización Panamericana de la Salud. The main content area has a 'SIS CRUED' title and a login form with fields for 'Usuario' (with a placeholder 'usuario') and 'password' (with a placeholder 'eg. X8d1190EQ'), followed by a 'LOGIN' button. A message 'Por Favor, Ingrese sus Datos' is displayed above the form.

DIPECHO Action Plan for the Caribbean 2011-2012

Achievements

- Adoption of National policy on safe hospitals.
- Safe hospitals evaluators were accredited.
- Hospitals improved their safety index.
- CRUED

Opportunities

- Save Hospitals - CRUED on the political agenda of the President.
- Actions Taken allow future interventions on hospitals network
- Establish new CRUED's in other regions of the country
- Integrate policies and actions in risk management plans nationwide.
