

And what about the awards?

There will be awards for everybody. For you and also for your school. You could win a fantastic painting kit, a medal and a diploma.

Besides your drawing and your picture will be published on internet and in our calendar 2008. And also your school will be a safer place in case of disaster.

¿When do you have to hand your painting?

From now on!! until August 31 of 2007
Winners will be chosen on october 10th of 2007.

Your teacher let you know if you have won.

¿What happens with your drawing when the competition is over?

We won't return any of the drawings back. We would like to keep them all. If your drawing has been selected we will publish it with your name below, so others could see its yours. And we´ll send to you by air mail

Why are painting for this competition?

To learn what disaster reduction is all about and help your community and your school better understand it.

¿Who can participate?

If you are between 5 to 12 years of age and your school is in Latinamerica or the and Caribbean ... You can participate!!!

There are three categories:

A: under 5 years old

B: between 6 and 9 years old

C: between 10 and 12 years old

How are you going to participate?

After completely your drawing make sure you put the following information on the back of the drawing:

-title of your painting

-name of your school

-your name

-age

-where do you live

-your e-mail, if you have one

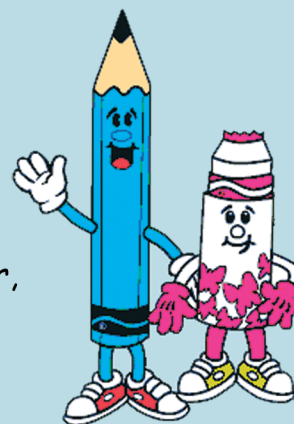

-you're your school's phone number and your teacher

Your school chooses the finalists and it will send them to UNICEF in a sealed envelope.

Which materials can you use?

Draw or paint in paper, cardboard, bristol board or any material you would like!

You can use any material for drawing and painting: felt tip pen, wax crayon, colored pencils, watercolor, charcoal, graphite pencil, temperas... whatever you like!

¿What can you paint about?

"En la" At the school we learn disaster prevention"

"I know and prevent risks in my school"

"We have righth to education in emergency situations"

Remember that we like

- that you use your imagination
- that is about disaster reduction
- that you use a good example of disaster reduction
- and the main thing : be original!!

For instance you can imagine what you would do for preventing a disaster in your town, village or community if one of these phenomenons happens there.
